259-M350R | 259-M05TR | 259-M1400 | 259-M1000

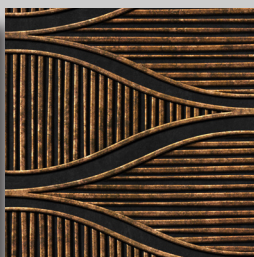

Our fully modular design allows the customer to build up their furniture to fit their needs and budget. Thanks to our Digital Finishing technology, we are able to offer various design options for our headboards and wall units. All finishes can be texturized to create a 3 dimensional effect that adds physical depth to the design.
